#WLSshootout

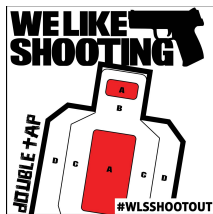

Rules: The rules are simple, put your stickers up at any distance - your choice! Follow the directions for each sticker then post your photo on social media using hashtag #wlsshootout -

The best performance wins a WLS prize pack each month (WLS Stickers and a shirt)! It doesn't have to be the best shooting, points are awarded for creativity, comedy, etc. The grading scale is made up and up to us, but we'll announce the winner monthly.

if you can put 1 round on target at 1000 yards you instantly win a WLS Hoodie of your choice (video evidence will be required for this).

Double Tap - Let's see if you can hit that A-zone twice!

Hostage Rescue - Oh no, Can you save Shawn from Aaron?

After Dark - What goes bump in the night? I have no idea but damn, shoot this thing, it will eat your soul.

Red Dawn - The Russians have invaded, can you stop them from taking our wives and children? This is the bear that Ronald Regan told us about
